

Quetzaltenango

This map provides a detailed overview of Quetzaltenango, including the city center and surrounding regions. Key features include:

- Geography:** The city is bounded by the Río Seco to the north and the Volcán de Agua to the south.
- Grid System:** The city is organized into a grid system with major avenues labeled from A to G on the left and 1 to 24 on the bottom.
- Landmarks:** Major landmarks include the Terminal Minerva, Complejo Deportivo, Microbuses to City Center, Estadio Mario Camposeco, Parque Benito Juárez, Parque El Calvario, Cemetery, and the Long-Distance Bus Stop.
- Transportation:** The map shows bus routes (e.g., Buses to San Martín Sacatepéquez) and distances to various towns.
- Surrounding Areas:** The map extends to show parts of Totonicapán, Monostenango, and surrounding communities like Salcajá, Cuatro Caminos, Interamericana, San Andrés Jecul, and San Francisco El Alto.

A blue box highlights the "Central Quetzaltenango Map" area, which includes Zona 1, 2, and 3.
