**GREINDEX**

The following organisations have been selected by our author because they demonstrate a commitment to sustainability. We've selected restaurants with an organic focus and businesses that use solar power, have composting toilets or refill water bottles. We've also listed national parks, and not-for-profit organisations that support local communities.

For more green tips, see Travelling Responsibly (p18). If you think we've omitted someone here, email us at [www.lonelyplanet.com/contact](http://www.lonelyplanet.com/contact).
