# LET'S EXPLORE OCEAN

Pippa Curnick

Are you ready for an adventure?  
Two explorers, Marco and Amelia, are off  
on a round-the-world diving trip, and they've  
invited you to come too!

The best explorers need to be ready for anything. Look at the list  
below and add stickers to the next page to get ready to go. Cross

Rockpools are teeming with life. From crabs and limpets, to starfish and seaweed. Use your felt-tip pens to make this rockpool lively and bright.

Marco, Amelia and their friends are looking forward to a day of swimming, but their flippers have sunk to the bottom of the sea! Can you figure out which flippers belong to which diver?

The Great Barrier Reef in Australia is so big it can even be seen from space! There are over 1,000 species of bright fish and cool coral to be found here. Use your stickers to complete the reef.
