Welcome to some of the highest places on Earth! We’ll be visiting some of these mountains on our journey — it’s time to learn more about them. Can you match the facts up to the mountains?

A) I am the world’s highest mountain.
B) My name means ‘high one’ to Native Americans.
C) I am an active volcano.
D) Elephants, monkeys and buffalo live in forests on my lower slopes.
E) I sit in the longest above-ground mountain range.
F) I am the highest peak in Europe.
