AUTHOR THANKS

Brendan Sainsbury

Thanks to all the untold bus drivers, tourist-info volunteers, restaurateurs, coffee baristas and indie punk rockers who helped me during my research. Special thanks to my wife, Liz,

and seven-year-old son, Kieran, for their company on the road and to Sebastian Simsch for his insights into the Seattle coffee scene.

Celeste Brash

Thanks to my family for helping me research beaches and mountains some days, and getting on at home without me on others. To old friends who I found scattered across Washington and to too many new friends to mention! It was wonderful to work with Suki Gear and from Brendan Sainsbury's excellent base text.
