

## On the aeroplane

You've boarded the plane and found your seat. Between lift-off and landing, search for these sights on your journey.

Can you find the items from the previous page on this plane? Shade them when they're spotted!

## How to use this book

The world is buzzing by right before your eyes! Wherever you are, become a true eagle-eyed explorer and search far and wide for the items in this book.

Look out for the items in the I-spy grid and note your scores, find and colour them in a detailed search scene, then sketch your own fun scenes on the next page. You can even create your own search for friends and family. So go on, try to spot the lot!

## Spotting pages

On these pages, you'll find a list of items to spot in your surroundings. If you see one, tick it off. The harder to find, the more points scored! Each item is then hidden in the scene on the next page. It's time to find them and colour them in.

## Drawing pages

Let your creativity run wild and create your own scene based on where you are and what you've seen.

All the items from your airport ticklist are hidden in the busy scene below.  
Can you find them and colour them in? One has been done for you!

**DRAW IT!**

What can you see outside the big airport windows? Fill the runway with more planes, people and all the things they need to board!
