## Why Go?

Cameroon is Africa's throbbing heart, a crazed, sultry mosaic of active volcanoes, white-sand beaches, thick rainforest and magnificent parched landscapes broken up by the bizarre rock formations of the Sahel. With both Francophone and Anglophone regions, not to mention some 250 local languages, the country is a vast ethnic and linguistic jigsaw, yet one that, in contrast to so many of its neighbours, enjoys a great deal of stability.

With reasonable road infrastructure, travel is a lot easier here than in many parts of Africa. Still, you'll miss none of those indicators that you're in the middle of this fascinating continent: everyone seems to be carrying something on their heads, *makossa* music sets the rhythm, the street smells like roasting plantains and African bliss is just a piece of grilled fish and a sweating beer away.

## When to Go

### Yaoundé

**Nov–Feb** High season; dry but not too hot.

**Mar & Oct** Light rains in the grasslands in March. In the north temperatures can reach 40°C.

**Apr–Oct** Intense rainfall; road travel is slow, muddy and at times impossible.

## Cameroon Highlights

### 1 Ring Road

(p213) Exploring stunning verdant scenery, picturesque villages and rushing rivers in the region around Bamenda.

### 2 Village des Artisans
