## Why Go?

Hailed as West Africa's golden child, Ghana deserves its place in the sun. One of Africa's great success stories, the country is reaping the benefits of a stable democracy in the form of fast-paced development. And it shows: Ghana is suffused with the most incredible energy.

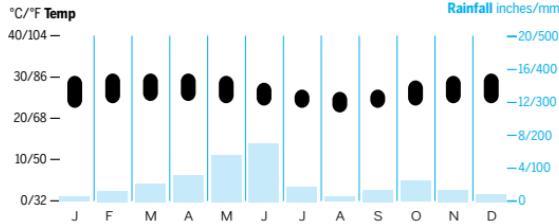

With its welcoming beaches, gorgeous hinterland, rich culture, vibrant cities, diverse wildlife, easy transport and affable inhabitants, it's no wonder Ghana is sometimes labelled 'Africa for beginners'.

It's easy to come here for a week or a month, but no trip can be complete without a visit to Ghana's coastal forts, poignant reminders of a page of history that defined our modern world.

Travel north and you'll feel like you've arrived in a different country, with a different religion, geography and cultural practices. The beauty is that this diversity exists so harmoniously, a joy to experience and a wonder to behold in uncertain times.
