ROBERT LANDON

Ten minutes into his maiden voyage to Italy, Robert was pickpocketed in a Florence church, yet he has been returning obsessively ever

since, including stints living in Rome and Florence. He has authored Lonely Planet guides to *Florence*, *Venice* and *Brazil*, and has also written about travel, art and architecture for the *Los Angeles Times*, *Dwell*, *Metropolis* and many other publications.

HELENA SMITH

Helena Smith has been visiting Italy since she was five years old. At that time chocolate spread on toast was the main draw – now she goes back for

the food, the warmth, the art and the atmosphere. Researching this edition took her from mountain walks with sea views to the stunning Greek temples of Paestum.

OUR WRITERS

CRISTIAN BONETTO

Despite being the son of northern Italians, Cristian has an enduring weakness for Naples and Campania. It took one visit as a young backpacker

to get him hooked, and the Australian-born writer has been covering the region's food, culture and lifestyle for more than a decade. According to Cristian, no Italian city quite matches Naples' complexity and intrigue, and its ability to constantly surprise and contradict makes it a thrill to write about. The writer's musings have appeared in publications across the globe, and his Naples-based play *Il Cortile* (The Courtyard) has toured numerous Italian cities. Cristian has contributed to more than 30 Lonely Planet guides, including *Venice & the Veneto*, *New York City*, *Denmark* and *Singapore*. You can follow Cristian's adventures on Twitter (@CristianBonetto) and on Instagram (@rexcat75).

DUNCAN GARWOOD

Ever since moving to Italy in 1997, Duncan has spent much of his time driving the country on assignment for Lonely Planet. He's clocked up tens of

thousands of kilometres and contributed to a whole host of Lonely Planet guidebooks, including *Italy*, *Rome*, *Sicily*, *Sardinia* and *Naples*, as well as the *Food Lover's Guide to the World*. He currently lives in the Castelli Romani hills just outside of Rome.

PAULA HARDY

Paula's first experience of northern Italy was Furniture Fair madness in Milan, braving frigid lake waters out of season and a suitcase full

of impractical shoes. Now with over a decade of experience in contributing to Lonely Planet's Italy books, including five editions of *Italy*, *Pocket Milan*, *Puglia & Basilicata*, *Sicily* and *Sardinia*, she knows better and now shops in sensible shoes to work off the worst excesses of the Italian table. You can find her tweeting from the lakes and mountains @paula6hardy.
