

Victoria Trips

DRIVING THROUGH VICTORIA IS LIKE TAKING AN ELITE, SELF-GUIDED TOUR

through the best that Australia has to offer. The coastline down here has nothing to envy when compared with the rest of Australia – the surf beaches and sea cliffs of the Great Ocean Road, the soaring majesty of Wilsons Prom, and the endless sands of Ninety Mile Beach. No state in Australia can match Victoria's set of historic towns, with Walhalla, Maldon, Castlemaine, Echuca, Ballarat and Beechworth merely the pick of a rather impressive bunch. River red gums along the Murray, the bijou wineries of the Mornington Peninsula, the penguins of Phillip Island, the gourmet offerings of Milewa and Myrtleford in the High Country: these are Victoria's calling cards and the signposts that mark the state's fabulous drives.
