OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Melbourne, London and Oakland, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Ryan Ver Berkmoes

Coordinating Author; Kuta & Seminyak, South Bali & the Islands, Ubud & Around, East Bali, Central Mountains, North Bali, West Bali Ryan Ver Berkmoes was first entranced by the echoing beat of a Balinese gamelan in 1993. On his visits since he has explored almost every corner of the island – along with side trips to Nusas Lembongan and Penida, the Gili and Lombok. Just when he thinks Bali holds no more surprises, he finds, for example, a new seaside temple

on nobody's map. Ryan never tires of Bali; sometimes his island social calendar is busier than anywhere else. Away from the gamelans, Ryan writes about travel and more at ryanverberkmoes.com and on Twitter (@ryanvb).

Read more about Ryan at:
lonelyplanet.com/members/ryanverberkmoes

Adam Skolnick

Lombok, Gili Islands Adam Skolnick writes about travel, culture, health and politics for Lonely Planet, *Outside*, *Men's Health* and *Travel & Leisure*. He has co-authored 18 Lonely Planet guidebooks to destinations in Europe, the US, Central America and Asia. On his recent trip to Lombok his peculiar road karma included several epic dives and the blissful discovery of stunning new beaches, islands, hotels and restaurants. He also encountered runaway horse carts and car crashes,

and, well, he was surrounded by a mob of 50 people who wanted to kill him. But he survived! You can read more of his work at adamskolnick.com. Or find him on Twitter (@adamskolnick).
