OUR READERS

Many thanks to the travelers who used the last edition and wrote to us with helpful hints, useful advice and interesting anecdotes:

Alice Maria Donati, Brock Houston, Rae Knutson, Kainie Manuel, Anne Miller, Julija Otto, Aristeia Parissi, James 'Chip' Petersen, Mike Poirier, Katherine Shea, Alexa Talbot, Edwin Van Unen, Janice Vettese, Daniëlle Wolbers

As for individuals who have made this trip particularly worthwhile, in no particular order: my mad henchman of the road, Dave Narby; in Toledo, Christopher and Celini; in Belize City, Demian and Nicole; in Dangriga, David and Nikki; in Placencia, Jacki, Nick, John and Pam; in Cayo, Matthew, Yosiah and Linda; and in Corozal, Gwyn.

Special thanks to Misty for the last one and Bill K & Aimee for being a small part of yet another long, strange trip.

AUTHOR THANKS

Mara Vorhees

Now that I am a parent myself, I feel like I can never express enough gratitude to my own parents, for everything they encouraged and endured over the years. But this is hardly the place for it anyway, so I'll just try to express my gratitude to them for being such awesome grandparents. I never could have taken on this project if we didn't have the best kind of built-in babysitters accompanying us in Belize. Thanks for sharing in the family adventure.

Joshua Samuel Brown

At the tail end of the fourth month of my fourth journey through Belize, I'd like to thank first and foremost the entire nation and everyone who calls it home, from the northern edge of Corozal to the remotest jungles of Toledo.
