WRITER THANKS

Anthony Ham

So many people helped me along the way and brought such wisdom and insight to this book. Special thanks as always to Andy Raggett at Drive Botswana, and to Paul Funston, Lise Hansson, Luke Hunter, Charlotte Pollard, Rob Reid, Eva Meurs,

Daan Smit, Jacob Tembo, Induna Mundandwe, Kasia Sliwa, Lara Good, Ying Yi Ho, and to Frank, Juliane, Tim and Ann-Sophie. At Lonely Planet, heartfelt thanks to my editor Matt Phillips – no-one knows Africa like him. And to Marina, Carlota and Valentina – I loved sharing some of my favourite corners of Africa with you.

Trent Holden

First up thanks to Matt Phillips for commissioning me on this amazing part of the world, as well as all the production staff for putting this together. A huge thanks to Kim from Livingstone and Joy from Victoria Falls in Zimbabwe for all their assistance and time in ensuring info is correct. Finally lots of love to my family, especially my partner, Kate, who allows me to travel to such far flung, exotic places.

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Anthony Ham

Curator Anthony is a freelance writer and photographer who specialises in Spain, East and Southern Africa, the Arctic and the Middle East. When he's not writing for Lonely Planet, Anthony writes about and photographs Spain, Africa and the Middle East for newspapers and magazines in Australia, the UK and US.

In 2001, after years of wandering the world, Anthony finally found his spiritual home when he fell irretrievably in love with Madrid on his first visit to the city. Less than a year later, he arrived there on a one-way ticket, with not a word of Spanish and not knowing a single person in the city. When he finally left Madrid ten years later, Anthony spoke Spanish with a Madrid accent, was married to a local and Madrid had become his second home. Now back in Australia, Anthony continues to travel the world in search of stories.

Trent Holden

Victoria Falls A Geelong-based writer, located just outside Melbourne, Trent has worked for Lonely Planet since 2005. He's covered 30 plus guidebooks across Asia, Africa and Australia.

With a penchant for megacities, Trent's in his element when assigned to cover a nation's capital – the more chaotic the better – to unearth cool bars, art, street food and underground subculture. On the flipside he also writes books to idyllic tropical islands across Asia, in between going on safari to national parks in Africa and the subcontinent. When not travelling, Trent works as a freelance editor, reviewer and spends all his money catching live gigs. You can catch him on Twitter @hombreholden
