Top Itineraries

Day One

The Loop (p44)

 You might as well dive right in with the big stuff. Take a boat or walking tour with the **Chicago Architecture Foundation** and ogle the most sky-scraping collection of buildings the US has to offer. Saunter over to **Millennium Park** to see 'the Bean' reflect the skyline and to splash under Crown Fountain's human gargoyles.

Lunch The Gage (p61) dishes Irish-tinged grub with a fanciful twist.

The Loop (p44)

 Explore the **Art Institute of Chicago**, the nation's second-largest art museum. It holds masterpieces aplenty, especially impressionist and post-impressionist paintings (and paperweights). Then head over to **Willis Tower**, zip up to the 103rd floor and step out onto the glass-floored ledge. Yes, it is a long way down.

Dinner Taxi or El to the West Loop to Duck Duck Goat (p171).

Near West Side & Pilsen (p163)

 The West Loop parties in the evening. Sit on the glittery patio sipping a glass of bubbly at **RM Champagne Salon**. **Haymarket Pub & Brewery** pours great beers and has the Drinking and Writing Theater inside. Or down an unusual brew at celeb chef Rick Bayless' *cerveceria* **Cruz Blanca**.

Day Two

Near North & Navy Pier (p67)

 Take a stroll on Michigan Ave – aka the **Magnificent Mile** – where big-name department stores ka-ching in a glittering row. Mosey over to **Navy Pier**. Wander the half-mile promenade and take a spin on the high-in-the-sky Ferris wheel.

Lunch Heft a mighty slice of pizza at Giordano's (p76).

South Loop & Near South Side (p178)

 Spend the afternoon at the **Museum Campus** (the water taxi from Navy Pier is a fine way to get there). Miles of aisles of dinosaurs and gemstones stuff the **Field Museum**. Sharks and other fish swim in the kiddie-mobbed **Shedd Aquarium**. Meteorites and supernovas are on view at the **Adler Planetarium**.

Dinner Hop the Blue Line to Damen for Dove's Luncheonette (p141).

Wicker Park, Bucktown & Ukrainian Village (p135)

 Wander along Milwaukee Ave and take your pick of booming bars, indie-rock clubs and hipster shops. **Quimby's** shows the local spirit; the bookstore stocks zines and graphic novels, and is a linchpin of Chicago's underground culture. The **Hide-out** and **Empty Bottle** are sweet spots to catch a bad-ass band.

Jaguar at Lincoln Park Zoo (p98)

Day Three

Lincoln Park & Old Town (p95)

 Dip your toes in Lake Michigan at **North Avenue Beach**. Amble northward through the sprawling greenery of **Lincoln Park**. Stop at **Lincoln Park Zoo** to see lions and tigers and bears (the polar kind). Pop into **Lincoln Park Conservatory** to smell exotic blooms.

Lunch Munch a char-dog and cheddar fries at Wieners Circle (p103).

Lake View & Wrigleyville (p109)

 Make your way north to **Wrigley Field** for an afternoon baseball game. The atmospheric, century-old ballpark hosts the Cubs, a team that has been cursed for a century but whose luck just might be changing. Afterward practice your home-run swing (and beer drinking)

Dinner Mmmm, mussels and frites (fries) at Hopleaf (p129).

at **Sluggers**, one of many high-fiving bars that circle the stadium.

Andersonville & Uptown (p125)

 Andersonville has several fine taverns to hang out at and sink a pint, like **Simon's**. Or see what's on at the **Neo-Futurists** theater. Jazz hounds can venture to the **Green Mill**, a timeless venue to hear jazz, watch a poetry slam or swill a martini. Al Capone used to groove on it.

Day Four

Hyde Park & South Side (p191)

 The **Museum of Science & Industry** isn't kidding around with its acres of exhibits. There's a German U-boat, mock tornado and exquisite dollhouse for starters. Groovy university bookstores like **57th Street Books** and **Powell's** offer shelves of weighty tomes.

Lunch Colorful cafe Medici (p202) makes a mean thin-crust pizza.

Hyde Park & South Side (p191)

 Linger in Hyde Park, as there's more to do. Architecture buffs can tour **Robie House**, Frank Lloyd Wright's Prairie-style masterpiece. Check out the **Nuclear Energy sculpture**, where the atomic age began. Make your way north to the Kenwood neighborhood to see

Dinner Sip whiskey while waiting for a table at Longman & Eagle (p160).

Obama's house and Muhammad Ali's former pad.

Logan Square & Humboldt Park (p152)

 Nightlife options abound in Logan Square. Knock back slurpable beers at **Revolution Brewing**. See what arty band is playing for free at wee **Whistler**. Or imbibe at **Scofflaw**, a true gin joint where juniper is treated with reverence.

HYDE PARK & SOUTH SIDE

Our Story

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

Our Writer

Karla Zimmerman

Karla lives in Chicago, where she has been eating deep-dish pizza (Giordano's preferred) and yelling at the Cubs for more than 25 years. She never tires of the city's sky-high architecture, global neighborhoods and character-filled dive bars, though she does tire of its wind-bashed winters. Karla writes about travel for books, magazines and websites. She has written several Lonely Planet guides, covering the USA, Canada, Caribbean and Europe.
