AUTHOR THANKS

Sara Benson

Without everyone at Lonely Planet and all of my co-authors, this book would never have seen such smooth sailing. I'm grateful to everyone I met on the road who shared their local expertise and tips. Big thanks to all of my coastal friends and family in the Golden State. PS to MSC Jr: Are you ready for more midnight drives and moonlight hikes along the Big Sur coast?

Andrew Bender

Suki Gear, Alison Lyall and Sam Benson for the opportunity and their good cheer and advice. Thanks also to Adrienne Costanzo, Karen Grant, Corey Hutchison and Bella Li for their assistance on this book.

Alison Bing

Suki Gear and Sam Benson, whose guidance, insight and support make any tricky mental backbend possible. Shameless California bear hugs to John Vlahides and Robert Lan-

don for setting giddily high writing standards, to fearless leaders Brice Gosnell and Heather Dickson at Lonely Planet, to the Sanchez Writers' Grotto, and above all to Marco Flavio Marinucci, whose kindness and bracing espresso make everything possible.

Nate Cavalieri

Thanks to my partner Florence Chien for joining my research travels through Northern California and giving a careful read to this text. Thanks to Ben Calhoun and Catrin Einhorn for sheltering me while this text was completed. Thanks also to the lovely people at Lonely Planet and particularly for the enthusiasm of commissioning editor and mentor Suki Gear.

Bridget Gleeson

Thank you to my lovely sister Molly, my brother-in-law Germán, and my dear friend Starla Silver for their hospitality when I'm passing through California – and to all their friends for their endless dining and drinking suggestions. Thanks, as well, to my mother Margaret, who always serves as my faithful travel companion.

Beth Kohn

All the usual suspects get thanks again, especially the fabulous multitasking Suki Gear and the dynamo known as Sam Benson. California cohorts and experts this time around

included Agent 'Pedal-to-the-metal' Moller, Felix 'Hella Loves Oakland' Thomson, Jenny 'Stink' G, Dillon 'The Scientist' Dutton and Julia 'Wawona' Brashares, plus all the helpful and patient park rangers.

John A Vlahides

I owe heartfelt thanks to my commissioning editor, Suki Gear, and co-authors, Sam Benson and Alison Bing, for their wonderful help and always-sunny dispositions. Kate Brady, Steven Kahn, Karl Soehnlein, Kevin Clarke, Jim Aloise and Adam Young – you kept me upbeat and laughing when things seemed impossible. And to you, the readers: thank you for letting me be your guide to the Wine Country. Have fun. I know you will.

Bridget Gleeson

Disneyland & Orange County, San Diego Though she travels all over Latin America to write about glaciers, penguins and giant turtles, the sunshine and sailboats of southern California always draw Bridget back to the USA. She covers food, wine, hotels and adventure travel for Afar, Budget Travel, Jetsetter, Mr & Mrs Smith and Delta Sky.

Beth Kohn

Read more about Bridget at: lonelyplanet.com/members/bridgetgleeson

Marin County & the Bay Area A lucky long-time resident of San Francisco, Beth lives to be playing outside or splashing in big puddles of water. For this guide, she hiked and biked Bay Area byways, lugged a bear canister along the John Muir Trail and selflessly soaked in hot springs – for research purposes, of course. An author of Lonely Planet's Yosemite, Sequoia & Kings Canyon National Parks and Mexico guides, you can see more of her work at www.bethkohn.com.

John A Vlahides

Napa & Sonoma Wine Country John A Vlahides co-hosts the TV series Lonely Planet: Roads Less Travelled, screening on National Geographic Channels International. John studied cooking in Paris, with the same chefs who trained Julia Child, and is a former luxury-hotel concierge and member of Les Clefs d'Or, the international union of the world's elite concierges. He lives in San Francisco, where he sings tenor with the San Francisco Symphony, and spends free time

skiing the Sierra Nevada. For more, see johnvlahides.com and twitter.com/johnvlahides.

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, Across Asia on the Cheap. Within a week they'd sold 1500 copies. Lonely Planet was born. Today, Lonely Planet has offices in Melbourne, London and

Oakland, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Sara Benson

Coordinating Author, Central Coast After graduating from college in Chicago, Sara jumped on a plane to California with just one suitcase and \$100 in her pocket. She has bounced around the Golden State ever since, including just about everywhere between San Francisco and LA. She paddled, hiked, cycled and drove all along the Central Coast while researching this guide. The author of 50 travel and nonfiction books, Sara has contributed to Lonely Planet's USA,

California and Hawaii guides. Follow more of her adventures online at www.indietraveler.blogspot. com and www.indietraveler.net, and follow her on Twitter (@indie traveler).

Andrew Bender

Los Angeles Andy is a true Angeleno, not because he was born in Los Angeles but because he's made it his own. Two decades ago, this native New Englander packed up the car and drove cross-country to work in film production, and eventually realized the joy was in the journey (and writing about it). His work has since appeared in the Los Angeles Times, Forbes, more than two dozen LP titles and on his blog, www.wheres-andy-now.com. Current obsessions: discovering

LA's next great ethnic enclave, and winter sunsets over the bike path in Santa Monica.

Alison Bing

San Francisco Author, arts commentator and adventurous eater Alison was adopted by California 16 years ago. By now she has done everything you're supposed to do here and a few things you're definitely not, including talking up LA bands in San Francisco bars and falling in love on the 7 Haight bus. Alison holds a graduate degree in international diplomacy, which she regularly undermines with opinionated commentary in magazines, newspapers, on public radio and in

more than 20 books.

Nate Cavalieri

North Coast & Redwoods A native of central Michigan, Nate lives in Northern California and has crisscrossed the region's back roads by bicycle, bus and rental car on a quest for the biggest trees, the best camping and the hoppiest pints of beer. In addition to authoring guides on California and Latin America for Lonely Planet, he writes about music and professional cycling. He's the Jazz Editor at Rhapsody Music Service. Photos from his travels in Northern California

and other writing can be found at www.natecavalieri.com.
