# WELCOME TO COASTAL VICTORIA

Victoria is home to some of the best road trips on the planet. The four trips in this book will take you from its dramatic rugged coastline to its historic and beautiful interior.

From driving along one of the world's most iconic and scenic coastal roads to visiting the vast, historic goldfields from which the state's great wealth originates, from enjoying first-class locally grown food and wine to walking on pristine and near-deserted white-sand beaches, Victoria's paved roads take you on journeys that showcase the extraordinary beauty of the southeast corner of the vast continent of Australia.

Whether your dream is criss-crossing the 'garden' state from sea to mountains, or a more intimate loop along quiet country roads, we've got it covered.
