## GOING GREEN

If we want to keep travelling (and boy, we do!) then a commitment to watching our eco-footprint is the very least we can do, which is why we've endeavoured to highlight all of the businesses in Dublin and surrounds that make efforts toward increased sustainability. If you discover any places whose eco-credentials are worth mentioning, let us know at [www.lonelyplanet.com/feedback](http://www.lonelyplanet.com/feedback); if you need more info on sustainable travel, check out [www.lonelyplanet.com/responsibletravel](http://www.lonelyplanet.com/responsibletravel).
