Why Go?

If they were handing out prizes for ‘most eventful history’, Poland would be sure to get a medal. The nation has spent centuries at the pointy end of history, grappling with war and invasion. Nothing, however, has succeeded in suppressing the Poles’ strong sense of nationhood and cultural identity. As a result, centres such as bustling Warsaw and cultured Kraków exude a sophisticated energy that’s a heady mix of old and new.

Away from the cities, Poland is a diverse land, from its northern beaches to its magnificent southern mountains. In between are towns and cities dotted with ruined castles, picturesque squares and historic churches.

Although prices are rising as its post-communist economy gathers momentum, Poland is still good value for travellers. As the Polish people work on combining their distinctive national identity with their place in the heart of Europe, it’s a fascinating time to visit this beautiful country.

Connections

Due to its central position, Poland offers plenty of possibilities for onward travel. The country is well connected by train: there are direct connections to Berlin from both Warsaw (via Poznań) and Kraków; to Prague from Warsaw and Kraków; and to Kyiv from Warsaw and Kraków (via Przemyśl and Lviv). Trains also link Warsaw to Minsk and Moscow, and Gdańsk to Kaliningrad. International buses head in all directions, including eastward to the Baltic States. From southern Zakopane, it's easy to hop to Slovakia via bus, or even minibus. And from the Baltic coast ports of Gdańsk, Gdynia and Świnoujście, ferries head to various ports in Denmark and Sweden.

Take a day trip to Oświęcim, then head on to Zakopane for two days.

Two Weeks

Follow the above itinerary, then on the eighth day travel to Wrocław for two days. Progress north to Toruń for a day, then onward to Gdańsk for two days, exploring the Old Town and visiting Westerplatte. Wind down with a couple of days at the seaside in Sopot.
