Sustainable travel is still a new concept in Ecuador, but one that's growing fast.

Our authors have highlighted the following places that contribute to sustainable tourism in Ecuador, whether it's by using alternative energy, supporting local and indigenous communities, or helping to preserve Ecuador's environment.

You can help us improve this list by sending your recommendations to talk2us@lonelyplanet.com.au. To find out more about sustainable tourism at Lonely Planet, head to www.lonelyplanet.com/responsibletravel.
