## Why Go?

Brittany is for explorers. Its wild, dramatic coastline, medieval towns and thick forests make an excursion here well worth the detour from the beaten track. This is a land of prehistoric mysticism, proud tradition and culinary wealth, where fiercely independent locals celebrate Breton culture and Paris feels a long way away indeed.

The entire region has a wonderfully undiscovered feel once you go beyond world-famous sights such as stunning St-Malo, regal Dinard and charming Dinan. Unexpected Breton gems – including the little-known towns of Roscoff, Quimper and Vannes, the megaliths of Carnac, the rugged coastlines of Finistère, the Presqu'île de Crozon and the Morbihan Coast – all demonstrate that there's far more to Brittany than delicious crêpes and homemade cider. Brittany's much-loved islands are also big draws – don't miss its two stars: dramatic Île d'Ouessant and the aptly named Belle Île.
