

Scotland

SCENERY, HISTORY, ATMOSPHERE: SCOTLAND SIMPLY SPOILS YOU. To drive here is to head deep into a captivating landscape fringed by vistas that stir the soul. A sense of something special is everywhere; from the pubs alive with live music, to spectacular shores and the crisp, clear air. At the heart lie rollercoaster Highland roads, where ospreys soar above the pines. Nearby, Scotland's mighty glens deliver mountains, lochs and maybe a monster or two. A string of distilleries tempt you to motor through historic Speyside. And all around the edges, majestic coast roads offer beauty, castles, villages and life at a gentler pace.
