AUTHOR THANKS

Sarah Bennett & Lee Slater

First and foremost, a huge thank you to Errol Hunt, former commissioning editor and exemplary Kiwi responsible for this and many other Lonely Planet New Zealand guidebooks. Thanks also to the other Melbourne staff who provided vital assistance and encouragement along the way, especially Martine Power, Diana Von Holdt and Andrea Dobbin. We also wish to

acknowledge Jim DuFresne's excellent work on previous editions. Finally, our thanks – as always – to all of the people who have provided information and advice in compiling this epic. The majority of such people work for the Department of Conservation/Te Papa Atawhai, but we also wish to acknowledge the staff of Forest & Bird, Mountain Safety Council, and visitor information centres throughout the country. *Kia ora e hoa ma.*
