Why Go?

Laden with grand-slam sights and experiences, Tuscany (Toscana in Italian) offers the perfect introduction to Italy’s famed *dolce vita*. It truly does have it all: extraordinary art and architecture, magnificent landscapes, vibrant festivals and a seasonally driven cuisine that is emulated the world over. There are few places in the world where food, fashion, art and nature intermingle so effortlessly and to such magnificent effect.

This part of Italy has been value-adding since Etruscan times, so there’s plenty to see and do. You can explore a World Heritage site in the morning, visit a vineyard in the afternoon and bunk down in a palatial villa or atmospheric *agriturismo* at night. Renaissance paintings and Gothic cathedrals? Check. Spectacular trekking and sensational Slow Food? Yep. Hills laden with vines and ancient olive groves? More than you can possibly imagine.

When to Go

**Florence**

- **May–Jun** Wild-flower-adorned landscapes beg outdoor action, be it walking, cycling or horse riding.
- **Jul** Not as mad-busy as August (avoid) and there are plenty of music festivals.
- **Sep–Nov** Grapes and olives are harvested, and forests yield truffles and porcini mushrooms.

Off the Beaten Track

Though many of Tuscany’s monuments and towns are crowded year-round, even in top-drawer destinations it is still possible to follow a less-trodden road. In Florence, enjoy extraordinary art in lesser-known museums such as the Palazzo Medici-Riccardi (p486), Museo Marino Marini (p485) and Museo di Orsanmichele (p481). In Pisa save the Leaning Tower for sunset, after the coachloads have departed, and spend the day meandering along the Arno River (p509). In Siena, relax in the tranquil setting of the Orto de’ Pecci (p527) or head to the oft-ignored Pinacoteca (p533), with its outstanding collection of Sienese art.

ITINERARIES

Four days
Base yourself in Florence for three nights: spend one day visiting the Uffizi Gallery, another wandering through the San Marco, Santa Maria Novella and San Lorenzo neighbourhoods, and the third crossing the Arno to explore the artisan’s neighbourhood of Oltrarno. On your last day, explore outside the city. Fiesole, Siena and San Gimignano are easily accessed by bus, and Lucca, Pisa and Arezzo by train.

One week
Three days in Florence, two in Siena and a final couple of days exploring the countryside will give you a true appreciation of Tuscany’s charms. If you have a car, a two-day drive around Chianti or through the Val d’Orcia and Val di Chiana will reap manifold rewards; if using public transport, day trips to Pisa, Lucca, San Gimignano or Arezzo are easily achieved.

10 days
This option caters to most interests. After spending three days in Florence, move on to Lucca for one night, pop into Pisa to visit the Piazza dei Miracoli the next morning, and then make your way to Pietrasanta or Volterra. Spend two nights in your choice of these lesser-known but alluring towns before heading to a beach on Elba or to the Chianti wine region for two days. End your trip with two nights in gloriously Gothic Siena.

Top Five Wine Tastings
