Index _____267

Why Bother

Japanese people are often too shy or worried about making mistakes to speak to visitors using what English they may know. Even the smallest effort to speak to locals in Japanese will be very warmly received.

Distinctive Sounds

Note the reduced, almost silent u (especially when it appears at the end of a word); and the r, which is pronounced halfway between an 'l' and an 'r'. Japanese has fewer sounds than most other major languages.

speak Japanese as their first language

speak Japanese as their second language

Japanese Script

Written Japanese is a combination of three different scripts. Kanji are ideographs (symbols that represent a concept as well as pronunciation), borrowed from Chinese. Hiragana and katakana are both indigenous, syllabic scripts (each character represents a syllable).

Japanese Lexicon

Japanese has many onomatopoeic expressions (describing something by its sound). For example, pouring rain can be described with zā zā ざあざあ. and a rumbling stomach might go go·ro go·ro ごろごろ.

Borrowings from English

Japanese has borrowed many words from English. often shortening and adapting them, eg pa·so·kon パソ コン for 'personal computer' and kom·bi·ni コンビニ for 'convenience store'

Language Family

It bears some resemblance to Altaic languages such as Mongolian and Turkish, and shows strong grammatical similarities to Korean, but linguists have not been able to prove the origins of Japanese.

Must-Know Grammar

Japanese has various levels of formality, shown with particular words or verb forms. The standard polite ending ·mas ます (given in this book) is the safe middle ground and will be suitable for most situations you'll encounter

Donations to English

There are several - you may recognise futon, karaoke, tsunami, bento box and manga, to name a few.

5 Phrases to Learn Before You Go

ls there a Western-/Japanese-style room? 洋室/和室はありますか? vō·shi·tsu/wa·shi·tsu wa a·ri·mas ka

Some lodgings have only Japanese-style rooms, or a mix of Western and Japanese – ask if you have a preference.

▶ Please bring a (spoon/knife/fork). (スプーン/ナイフ/フォーク)をください。 (spūn/nai·fu/fō·ku) o ku·da·sai

If you haven't quite mastered the art of eating with chopsticks, don't be afraid to ask for cutlery at a restaurant.

3 How do I get to ...? …へはどう行けばいいですか? e wa dō i ke ha ī des ka

Finding a place from its address can be difficult in Japan. Addresses usually give an area (not a street) and numbers aren't always consecutive. Practise asking for directions.

 I'd like a nonsmoking seat, please. 禁煙席をお願いします。 kin-en-se-ki o o-ne-gai shi-mas

There are smoking seats in many restaurants and on bullet trains so be sure to specify if you want to be smoke-free.

What's the local speciality? 地元料理は何がありますか? ji·mo·to·ryō·ri wa na·ni ga a·ri·mas ka

Throughout Japan most areas have a speciality dish and locals usually love to talk food.

10 Phrases to Sound Like a Local

Great! すごい! su·goy
Sure. もちろん。 mo·chi·ron
Hey! ちょっと、ちょっと! chot-to chot-to
Just a minute. ちょっと待って。 chot to mat te
lt's OK. いいよ。 ī·yo No problem. 大丈夫。 dai·jō·bu
Good luck. 頑張って。 gam·bat·te
No kidding? マジ? ma·ji
Really? ほんと? hon·to
Fat chance! ありえない! a·ri·e·nai

ABOUT JAPANESE

Pronunciation

Japanese pronunciation is not considered difficult for English speakers. Unlike some other Asian languages, it has no tones and most of its sounds are also found in English.

Vowel Sounds

Vowels in Japanese can be either short or long. The long ones should be held twice as long as the short ones and are represented in our pronunciation guides with a horizontal line on top of them.

~ SYMBOL ~	~ ENGLISH ~	~ JAPANESE EXAMPLE ~
а	r <mark>u</mark> n	n a ∙ka
ā	father	sak∙k ā
е	red	sa·k e
ē	r <mark>ei</mark> gn	p ē ∙ji
i	bit	nl∙ji
T	bee	sh ī ∙tsu
0	pot	m o t·to
Ō	paw	pas·p ō ·to
u	put	m u ∙ra
ū	moon	k ū ·ki

It's important to make the distinction between short and long vowels as vowel length can change the meaning of a word, as in these examples:
