## WRITER THANKS

### Greg Benchwick

Thanks the most to my darling daughter Violeta and sister Cara for accompanying me on this research trip. My intern Sylvia was a great help in finding the local scoop and diving into island life. And of course, my editor Alex and cowriter Adam are all-stars any day and everyday.

### Adam Skolnick

Much aloha and *mahalo* to Taj Jure and Marc-Andre Gagnon, Jeffrey Courson, Susan Dierker, Camille Page and her whole lovely family, Derek Pellin, Gary Hooser, Andrea Brower, Michelle Marsh, Josh Meneley, John

Moore and Jacklynn Evans. Thanks also to Alexander Howard, Greg Benchwick and the entire Lonely Planet team for the collaboration. And many *mahalos* to the Garden Island itself. You are home.

## ACKNOWLEDGEMENTS

## OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

## OUR WRITERS

### Adam Karlin

**Curator** I am a Lonely Planet author based out of where I am. Born in Washington DC and raised in the rural Maryland tidewater, I've been exploring the world and writing about it since I was 17. It's a blessedly interesting way to live one's life. Also, it's good fun.

### Greg Benchwick

**Lihu'e, Po'ipu & the South Shore, Waimea Canyon & the Westside** A long-time Lonely Planet travel writer, Greg has rumbled in the jungles of Bolivia, trekked across Spain on the Camino de Santiago, interviewed presidents and grammy-award winners, dodged flying salmon in Alaska and climbed mountains (big and small) in between. Greg's Lonely Planet work includes guides to Mexico, Yucatán, Cancún, Chile, Alaska, Colorado, Puerto Vallarta & Pacific Mexico,

Honduras, Bolivia, Nicaragua, Ecuador, Peru, Malaysia, Kaua'i, USA, Southwest USA Trips, Central America on a Shoestring and South America on a Shoestring. He has also worked on Lonely Planet's reference books, including *Bluelist*, *USA Book* and *Great Adventures*.

### Adam Skolnick

**Kapa'a & the Eastside, Hanalei Bay & the North Shore** Adam's travel obsession bloomed while working as an environmental activist in the mid '90s. These days he's an award-winning journalist and travel writer who writes about travel, culture, human rights, sports and the environment for a variety of publications, including the *New York Times*, *Playboy*, *Outside*, BBC.com, *Wired*, ESPN.com, and *Men's Health*, and he's authored or co-authored over 35 Lonely Planet

guidebooks. An avid open-water swimmer and diver, he's also the author of the critically acclaimed narrative nonfiction book, *One Breath: Freediving, Death and the Quest to Shatter Human Limits*. He lives in Malibu, California.
