## OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

## OUR WRITERS

### Hugh McNaughtan

[Palma & the Badia de Palma, The Interior, Eastern Mallorca, Southern Mallorca](#)

A former English lecturer and food writer, Hugh moved to the UK with his young family in 2013, and took up travel writing full time. He's written (and eaten) his way through Mallorca, Maluku, Lithuania, Bulgaria and Britain, and still has a soft spot for the fabulous food of his home town, Melbourne. Hugh also updated the Understand chapters.

### Damian Harper

[Western Mallorca, Northern Mallorca](#)

Ten years of British boarding school life gave Damian every incentive to explore new horizons beyond home. A degree in History of Art at Leeds University fortified this persuasion and Damian found himself living at the Shakespeare & Co bookshop in Paris, stacking shelves, fending off bedbugs and falling in love with books.

Damian has been working largely full time as a travel writer (and translator) since 1997 and has also written for *National Geographic Traveler*, the *Guardian*, the *Daily Telegraph*, Abbeville Press (Celestial Realm: *The Yellow Mountains of China*), *Lexean*, *Frequent Traveller*, *China Ethos* and various other magazines and newspapers. Damian also updated the Plan Your Trip section.
