WRITER THANKS

Amy C Balfour

Thank you Errol Buntuyan and Tim Tattersall for sharing your island insights and recommendations. Monkeypod Kitchen was a blast. Julie Messerich, thank you for the introductions and the 5 Palms company. A big mahalo to Daniel Sullivan for the Upcountry leads and inspirational island photos. Alex Howard, thank you for trusting me with this awesome assignment. Many thanks to Ryan, Jade, Andrea and the maps and production team for putting it all together.

Jade Bremner

Mahalo to knowledgeable coordinating author Amy C Balfour for all her wisdom on both Maui and LP guidebooks, plus Destination Editor Alexander Howard for his quick-fire email responses and support.

Thanks also to local experts Joshua Weisfeld and Travis Morrin for their tips and recommendations. Plus everyone working hard behind the scenes – Cheree Broughton, Dianne Schallmeiner, Jane Grisman and Neill Coen.

Ryan Ver Berkmoes

Teri Waros on Moloka'i was her usual indispensable self. On Lana'i, a shelter cat made me smile and reminded me of an old friend. In Lahaina I'm indebted to the dozens I chatted up who stay genuine despite dealing with tourists all day. On O'ahu I'm indebted to my father, who passed through Pearl Harbor in 1942 to serve in the Pacific yet retained his own love for the islands. And Alexis Ver Berkmoes puts the lime juice in my mai-tai.

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Amy C Balfour

Curator, Kihei & South Maui, North Shore & Upcountry, Road to Hana, Hana & East Maui, Haleakalā National Park Amy first visited Hawaii as a toddler. For this book, she hiked on the King's Trail, explored the Haleakalā crater and sampled vodka on a distillery tour in Hali'imaile. She left Little Beach before things got too wild at the Sunday evening drum circle. Amy has authored or co-authored 30 books for Lonely Planet, including the first two editions of *Discover Maui* and

the last three editions of *Hawaii*. Her stories have appeared in *Backpacker*, *Sierra*, *Southern Living* and *Women's Health*.

Jade Bremner

'Iao Valley & Central Maui, West Maui Jade has been a journalist for more than a decade. She has lived in and reported on four different regions. Wherever she goes she finds action sports to try, the weirder the better, and it's no coincidence many of her favourite places have some of the best waves in the world. Jade has edited travel magazines and sections for *Time Out* and *Radio Times* and has been a correspondent for the *Times*, *CNN* and the *Independent*. She feels

privileged to share tales from this wonderful planet we call home and is always looking for the next adventure.

Ryan Ver Berkmoes

Lana'i, Moloka'i, Lahaina Ryan has written more than 110 guidebooks for Lonely Planet. He grew up in Santa Cruz, California, which he left at age 17 for college in the Midwest, where he first discovered snow. All joy of this novelty soon wore off. Since then he has been travelling the world, both for pleasure and for work – which are often indistinguishable. He has covered everything from wars to bars. He definitely prefers the latter. Ryan calls New York City home.
