## Why Go?

It takes less than an hour to escape the urban sprawl and discover the holiday communities that curl around Port Phillip Bay's eastern half. At the tip of the peninsula, a world of rugged ocean surf beaches, sublime links golf courses and coastal bushwalks opens up. Away from the coast, the peninsula's interior is a wine- and food-lover's paradise, with more than 50 cellar doors and some of Victoria's finest winery restaurants. On the less-developed eastern side of the peninsula, it's a short ferry ride across to wild and isolated French Island and to Phillip Island, sheltering in the waters of Western Port Bay. To reach Phillip Island by car though, you need to drive the long way around. It's certainly worth it: apart from the famous nightly parade of little penguins, Phillip Island is blessed with wonderful surf beaches, accessible wildlife and enough activities to keep you (and the kids) busy for a week.

## When to Go

### Phillip Island

**New Year's Eve**  
Phillip Island goes off with the Pyramid Rock Festival

**Nov-Dec** The best time to view seals and penguins at Phillip Island

**Feb-Mar** The perfect time to hit the beaches and wineries, after the holiday crowds have departed

# MORNINGTON PENINSULA

The Mornington Peninsula – the boot-shaped area of land between Port Phillip Bay and Western Port Bay – has been Melbourne's summer playground since the 1870s, when paddle steamers ran down to Portsea. Today, much of the interior farming land has been replaced by vineyards and orchards – foodies love the peninsula, where a winery lunch is a real highlight – but it still retains lovely stands of native bushland.

The calm 'front beaches' are on the Port Phillip Bay side, where families holiday at bayside towns from Mornington to Sorrento. The rugged ocean 'back beaches' face Bass Strait and are easily reached from Portsea, Sorrento and Rye; there are stunning walks along this coastal strip, part of the Mornington Peninsula National Park.

The bay heads are so close that it's just a short hop by ferry across from Sorrento to Queenscliff on the Bellarine Peninsula.
