

Behind the Scenes

SEND US YOUR FEEDBACK

We love to hear from travellers – your comments keep us on our toes and help make our books better. Our well-travelled team reads every word on what you loved or loathed about this book. Although we cannot reply individually to postal submissions, we always guarantee that your feedback goes straight to the appropriate authors, in time for the next edition. Each person who sends us information is thanked in the next edition – the most useful submissions are rewarded with a selection of digital PDF chapters.

Visit lonelyplanet.com/contact to submit your updates and suggestions or to ask for help. Our award-winning website also features inspirational travel stories, news and discussions.

Note: We may edit, reproduce and incorporate your comments in Lonely Planet products such as guidebooks, websites and digital products, so let us know if you don't want your comments reproduced or your name acknowledged. For a copy of our privacy policy visit lonelyplanet.com/privacy.

AUTHOR THANKS

Anthony Ham

Thanks to Maryanne Netto for sending me to such wonderful places – your legacy will endure. To co-authors Trent and Kate who brought such excellence to the book. To David Andrew for so many wise wildlife tips. And to every person whom I met along the road – from knowledgeable and patient tourist-office staff to other travellers. And to Marina, Carlota and Valentina – home is wherever you are.

Trent Holden & Kate Morgan

A huge thanks to the lovely Maryanne Netto for giving us the chance to work on our hometown book – a great gig. To coordinating author, Anthony Ham, it's always such a pleasure to work with you. We'd like to thank both of our families, especially Tim and Larisa, Gary and Heather, for all of your help, not to mention a place to crash at times! Shout out to Shaun at Port Fairy Motors for your help in getting us back on the road quick smart in a time of chaos. To Linda Bosidis, Caro Cooper, Jane Ormond, Paul and Max Waycott, Alex and Mat Forsman, cheers for great insider tips and suggestions. Finally big thanks to Tasmin Waby, Glenn van der Knijff and all of the in-house staff who worked hard on this book during a tough transitional time.

ACKNOWLEDGMENTS

Climate map data adapted from Peel MC, Finlayson BL & McMahon TA (2007) 'Updated World Map of the Köppen-Geiger Climate Classification', *Hydrology and Earth System Sciences*, 11, 163344.
