

Vermont Hardwood forest in the Green Mountains

WELCOME TO NEW ENGLAND

Steeped in Colonial history, graced with gorgeous mountains and coastlines, and packed with culinary and cultural attractions, New England is an irresistible road trip destination.

The trips in this book embrace the thrill of the open road, taking in both well-known travel hot spots and off-the-beaten-track treasures. Come cruise the fabled coastlines of Maine and Cape Cod, the White Mountains' spectacular granite summits and the fiery fall foliage of the Berkshires and Green Mountains.

From historic sites such as Plimoth Plantation and Nantucket to big cities and contemporary art museums, these trips wind past pumpkin patches and cranberry bogs, red barns and white-steepled churches, covered bridges and lighthouses. Along the way, sample cuisine from the best clam shacks, lobster joints and farm-to-table eateries, while staying at cozy B&Bs, vintage hotels and classic roadside motels. And if you've only got time for one trip, make it one of our Classic Trips, which take you to the very best of New England.
