AUTHOR THANKS

Ryan Ver Berkmoes

A *mofungo* of thanks to the following: the many locals who answered my persistent questions with good humor, thinking I was just a somewhat irritating tourist, and to the cafe owner who spotted me dinner after the power failed and the ATMs and credit card machines quit working. At Lonely Planet, huge affection and thanks to the former commissioning crew in Oakland who roped me into this. Big thanks to Brana Vladislavjevic and all the rest who came through after things went off the rails. Finally, true love for my golden sweetheart and fellow Vieques star-gazer Alexis Averbuck.

Luke Waterson

A particular *gracias* and a whole load of *abrazos* to Ali in Orocovis, Benjamin and Dalma in Jayuya, Nadine in Ponce, Maritza in Cabo Rojo, Harry, Lisa and Dario in Rincón, Jorge in Aguadilla, Trevor in Isabela and Eddy in San Juan – all of whom proved truly exceptional human beings in terms of their help and hospitality. And espresso thanks to all Puerto Rico's coffee growers – you've created a serendipitous world-class product and truly done the island proud.
