WRITER THANKS

Liza Prado

Mil gracias to all the locals whose names I never learned but whose help was essential to me. Special thanks to my long lost *sanjuanero* friend Carlos Rivas, Kathy Gannett in Esperanza and Keishya Salko in Punta Santiago. Thank you to mom, dad, Joe, Elyse and Susan for all the kid help, and to Eva and Leo for waiting so patiently to play. And to Gary, my heart, thank you for your support and love; there's no way I could do what I do without you.

Luke Waterson

Thank you Aurelio, Juan Julio and his stalwart JCB for rescuing me when my car came off the road and was teetering on the edge of a rather deep ravine. And, welcome as a piña colada on a sultry afternoon, was the assistance of Tamaris, José and Eddie in San Juan, Trevor in Isabela, Lisa in Rincón and Kurt in Jayuya. At LP, gratitude streams across the oceans to co-writer Liza and editor Bailey for helping bring this book together.

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Liza Prado

Curator, San Juan, El Yunque & East Coast, Culebra & Vieques Liza Prado has been a travel writer since 2003, when she made a move from corporate lawyering to travel writing (and never looked back). She's written dozens of guidebooks and articles as well as apps and blogs to destinations throughout the Americas. She takes decent photos, too. Liza is a graduate of Brown University and Stanford Law School. She lives very happily in Denver, Colorado, with her husband and fellow LP

writer, Gary Chandler, and their two kids.

Luke Waterson

Central Mountains, Rincón & West Coast, North Coast, Ponce & South Coast

Raised in the remote Somerset countryside in Southwest England, Luke quickly became addicted to exploring out-of-the-way places. While completing a Creative Writing degree at the University of East Anglia, he shouldered his backpack and vowed to see as much of the world as possible. Fast-forward a few years and he has traveled the Americas from Alaska to Tierra del Fuego and developed an

obsession for Soviet architecture and pre-Columbian ruins in equal measure. He divides his time between Wales and Slovakia, on which he keeps the world's leading English-language content site on Slovak travel and culture, www.englishmaninslovakia.co.uk. Luke also wrote the Plan, Understand and Survival Guide sections.
