Behind the Scenes

SEND US YOUR FEEDBACK

Things change – prices go up, schedules change, good places go bad and bad places go bankrupt. So if you find things better or worse, recently opened or long since closed, or you just want to tell us what you loved or loathed about this book, please get in touch and help make the next edition even more accurate and useful. We love to hear from travelers – your comments keep us on our toes and our well-traveled team reads every word. Although we can't reply individually to postal submissions, we always guarantee that your feedback goes straight to the appropriate authors, in time for the next edition. Each person who sends us information is thanked in the next edition – the most useful submissions are rewarded with a selection of digital PDF chapters.
