OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Melbourne, London, Oakland and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Andy Symington

Coordinating Author; Finland, Iceland Andy hails from Australia, lives in Spain, learned to ski as a child in Norway, was entranced by wintertime Finland as a backpacking teenager and has been a regular visitor to the Nordic lands ever since. He has travelled extremely widely throughout the region, and is a regular contributor on Finland and Scandinavia to Lonely Planet guides and other publications. His highlights have included close encounters with bears, rowing-

boat odysseys on enormous lakes and a near-terminal swim in a seriously cold Arctic Ocean. In a never-ending bid for honorary citizenship of the north, he has a huge stockpile of Nordic CDs, ranging from contemporary Sámi *yoiiks* to epic '80s

Viking metal.

Carolyn Bain

Tallinn Melbourne-based Carolyn has investigated great pockets of northern Europe in the name of work, including Sweden, Denmark, Iceland and the Baltic countries. For this book she returned to the northeast, where Estonia combines the best of Eastern Europe and Scandinavia and delivers something heartwarmingly unique.

Cristian Bonetto

Denmark Despite his love of long, hot summers, Cristian Bonetto has an intense passion for all things Danish. What started with a weakness for Lego blocks has since blossomed into an obsession with Danish design, art, cuisine and all things *hyggelig* (cosy). The country's effortless cool is a constant source of inspiration for the former playwright and soap scribe, whose musings on travel and popular culture have appeared in various international publications. To date, Cristian has

contributed to over a dozen Lonely Planet guides.

Anthony Ham

His true passion is the Arctic north, especially spending time with the Sámi or scouring the horizon for polar bears in the wilds of Svalbard. Anna Kaminski

Sweden Anna has been dreaming of Scandinavia ever since reading Norse myths and legends as an impressionable five-year-old. Already a huge fan of Swedish Lapland and Stockholm, this time around Anna was lucky enough to travel the whole country, trying her luck in a medieval archery competition in Visby and at glass-blowing in Glasriket, and visiting the childhood home of her favourite childhood author – Astrid Lindgren.
