Rock & Pop
It would take an entire book to tell the story of the music that has made Scotland famous. From the early days of the King of the Rock to the modern day, Scotland has a rich musical heritage.

Reviews are organised by author preference.

Look out for these icons:

- Our author's recommendation
- No payment required
- A green or sustainable option

Our authors have nominated these places as demonstrating a strong commitment to sustainability – for example by supporting local communities and producers, operating in an environmentally friendly way, or supporting conservation projects.
