AUTHOR THANKS

Robert Kelly

This book is dedicated first to Tania Simonetti, the loving anchor of my life. A big hi to Ping and the Bear, faithful companions to the end. Here's to Will Ryan, who kept my back straight and healthy through the endless days of writing. Chris Nelson, thanks for all the dinners, buddy! To my partners at TEA, here's to great things in the future. And finally, thanks to Richard Foster for coming through at the end as I knew he would.

Chung Wah Chow

Robert Kelly and Kathleen Munnely gave me expert advice and extended deadlines, for which I am extremely grateful. A big bucket of thanks goes out to my dear friend Chang Yun Chih – your help makes this book possible. Huge thanks also to mountaineering gurus Li Chia San and Lee Yu Ching, for your invaluable tips and insights. Fellow travellers Griet Dierckxsens and Andre de Bree: I enjoyed your great company. Very special thanks are reserved, as always, for Haider Kikabhoj.
