Many thanks to the travelers who used the last edition and wrote to us with helpful hints, useful advice and interesting anecdotes: Beryl Bevan, Sheldon Rempel, Stephen Bowkett.

WRITER THANKS

John Lee

Special thanks to Maggie for ensuring my sanity and delivering copious amounts of tea during the write-up for this project. Thanks also to our feline companion, Max, for grooming my beard on a

regular basis. And cheers to my buddy Dominic for joining me on that elongated Vancouver Island road trip. Sincere apologies to all my other Vancouver friends and family for being stuck to my keyboard for so long; I'm more than ready for a beer or two now.

Our Story

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

Our Writer

John Lee

Born and raised in the UK, John grew up in the lengthy shadow of London, then succumbed to the lure of Canada's West Coast in 1993 to begin an MA in Political Science at the University of Victoria. Regular trips home to Britain ensued, along with stints living in Tokyo and Montreal, before he returned to British Columbia to become a full-time freelance writer in 1999. Now living in Vancouver, John specializes in travel writing and has contributed to more than 150 different publications around the world. You can read some of his stories (and see some of his videos) online at www.johnleewriter.com. John has worked on around 25 Lonely Planet books, including *Canada*, *British Columbia*, *Western Europe*, *Vancouver* and *Europe on a Shoestring*.
