

ANGLESEY & NORTH WALES

3 PERFECT DAYS

♥ DAY 1 // ESSENTIAL ANGLESEY

Start with a hearty breakfast at Beaumaris' Townhouse (p343) before taking a spin over the top of the island, stopping for coffee at Ann's Pantry in Moelfre (p255) and enjoying the sea air in Church Bay (p259). Continue the loop for lunch, stopping for gastropub fare at the White Eagle (p255), before heading inland. After browsing the Kyffin Williams collection at Oriel Ynys Môn (p260), head back to Beaumaris for a slap-up dinner and a stroll along the pier.

♥ DAY 2 // ESCAPE THE CROWDS

The north coast has its brash and busy pockets but there are plenty of places to escape to. Set out from Llandudno's Escape B&B (p344) for the West Shore and a crowd-free walk (p269). In Conwy, the crowds are swamping the castle but the birdlife is your sole companion as you explore the Conwy estuary mapped by Whinward House (p344). Late afternoon could include an excursion to Bangor to watch the boats bobbing in the harbour from the Victorian Pier (p262).

♥ DAY 3 // HIDDEN GEMS

Begin the day exploring lesser-known northeast Wales by cleansing your soul with a visit to St Winefride's Well (p274). Then try a bracing stroll through the Clwydian Range (p273), tackling Moel Famau if you're feeling energetic. Lunch awaits in Llangollen with Gales Wine Bar (p277) an ideal spot to slake a post-walk thirst. Finally, head for Ruthin to explore a quintessential Welsh market town, plus dinner and art-inspired rooms at manorhaus (p278).
