OUR READERS

Many thanks to the travelers who used the last edition and wrote to us with helpful hints, useful advice and interesting anecdotes:

Alexa Talbot, Alina Gruppe, Armin Werner, Austin Riley, Chad Perry, Chris Newton, Jack Nuttall, Jim Couture, Josh James, Laura Paola, Laurence Erhat, Mai Winstrup, Matt Albee, Nicola Cutts, Rhonda Petty, Steen Ballegaard

family, Kati Halmos Jones, Dan Jones, the Forster family and Jackie Capalan-Auerbach. And to new friends I made: too many to mention! It was wonderful to work with Sandra Bao and Suki Gear, and from Brendan Sainsbury's excellent base text.

John Lee

Heartfelt thanks to my Dad for bringing me to Vancouver from the UK for my first visit back in 1986. I'll be over to see you soon, Dad!

Brendan Sainsbury

Thanks to all the untold bus drivers, tourist-info volunteers, restaurateurs, coffee baristas and indie punk rockers who helped me during my research. Special thanks to my wife, Liz, and seven-year-old son, Kieran, for their company on the road.

AUTHOR THANKS

Sandra Bao

Thanks especially to my husband, Ben Greensfelder, who kept the house more or less in order (and the plants watered) while I was traipsing around Oregon. My co-authors have been patient and helpful with my many requests; a more experienced bunch I couldn't have asked for. Much appreciation to the staff of all the information centers I visited, of whom I asked endless questions, to those many hoteliers I interviewed for local information and to the friendly people of Oregon who were always ready to help me out.

Celeste Brash

Thanks to my family for helping me research beaches and mountains some days, and getting on at home without me on others. To old friends I found scattered across Washington: the Irwin

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Melbourne, London and Oakland, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse.'

OUR WRITERS

Sandra Bao

Coordinating Author; Portland, The Willamette Valley & Wine Country, Columbia River Gorge, Central Oregon & the Oregon Cascades, Oregon Coast, Ashland & Southern Oregon, Eastern Oregon Sandra has lived in Buenos Aires, New York and California, but Oregon has become her final stop. Researching the Beaver State has been a highlight of Sandra's 14-year-long Lonely Planet career. She's come to appreciate the beauty of her home state, how much it has to offer and

how friendly people are in tiny towns in the middle of nowhere. Sandra lives in Portland with her husband, Ben Greensfelder. They've embraced the local green culture by installing rain barrels and solar panels, recycling nearly everything and running a community compost bin. When Sandra's not traveling she's obsessed with floating down the Clackamas River, growing the perfect tomato and trying to get her California friends to move up to her little paradise.

Celeste Brash

Northwestern Washington & the San Juan Islands, Olympic Peninsula & Washington Coast, Washington Cascades, Central & Eastern Washington Locals have a hard time believing it, but the beauty of the Pacific Northwest is what coaxed Celeste back to the US after 15 years in Tahiti. She was thrilled to explore and imbibe the treasures of her new backyard for this book, hike snowy peaks, look for orcas and get in touch with her cowboy and Indian roots.
