WRITER THANKS

Brendan Sainsbury

Thanks to all the untold bus drivers, chefs, hotel receptionists, tour guides, and innocent bystanders who helped me during this research. Special thanks to my wife Liz and 10-year-old son Kieran for their company on the road.

Celeste Brash

Thanks to my husband Josh and kids Jasmine and Tevai, to the Irwins in Spokane, Jackie Caplan-Auerbach and family in Bellingham, the Joneses in Olympia, the Pilot/Forsters in Port Angeles, Iain on Orcas, park rangers, tourist info people, random people met along the ways and so many more!

John Lee

Special thanks to Maggie for ensuring my sanity and delivering copious amounts of tea during the write-up for this project. Thanks also to our feline companion Max for grooming my beard on a regular basis. And cheers to my buddy Dominic for joining me on that elongated Vancouver Island road-trip. Sincere apologies to all my other Vancouver friends and family for being stuck to my keyboard for so long; I'm more than ready for a beer or two now.

Becky Ohlsen

Becky would like to thank Alex Howard, Celeste Brash, Mike Russell, Ryan at Beulahland, Patrick Goodall, Joel and Christina Ohlsen and everyone else she pestered with questions along the way.

OUR STORY

A beat-up old car, a few dollars in the pocket and a sense of adventure. In 1972 that's all Tony and Maureen Wheeler needed for the trip of a lifetime – across Europe and Asia overland to Australia. It took several months, and at the end – broke but inspired – they sat at their kitchen table writing and stapling together their first travel guide, *Across Asia on the Cheap*. Within a week they'd sold 1500 copies. Lonely Planet was born.

Today, Lonely Planet has offices in Franklin, London, Melbourne, Oakland, Dublin, Beijing and Delhi, with more than 600 staff and writers. We share Tony's belief that 'a great guidebook should do three things: inform, educate and amuse'.

OUR WRITERS

Brendan Sainsbury

Seattle Originally from Hampshire (the 'old' one in England), Brendan has been covering Seattle and the Pacific Northwest for Lonely Planet for over a decade. He is currently based in White Rock, BC, 45 minutes south of Vancouver and just 2km from the US border. Researching for this book (his 45th for Lonely Planet) he enjoyed trying copious new beers, getting drunk on coffee and doughnuts, and taking his son (yet again!) to Seattle's legendary pinball museum.

Celeste Brash

Northwestern Washington & the San Juan Islands, Olympic Peninsula & Washington Coast, Washington Cascades, Central & Eastern Washington The beauty of the Pacific Northwest coaxed Celeste back to the US after 15 years in Tahiti. For the last six years she's reveled in exploring her new back yard, its mountains, coasts, wineries and fantastic restaurants, while getting back in touch with her cowboy and Indian roots. Her award-winning writing has

appeared in publications from *BBC Travel* to *Afar* and *Islands Magazine* and she's contributed to nearly 60 Lonely Planet titles.

John Lee

Vancouver, Whistler & Vancouver Island Originally from the UK, John moved to British Columbia to study at the University of Victoria in the 1990s. Eventually staying and moving to Vancouver, he started a freelance travel-writing career in 1999. Since then, he's been covering the region and beyond for Lonely Planet plus magazines, newspapers and online outlets around the world. Winner of numerous writing awards, very active on Twitter and a weekly columnist for

Canada's *The Globe and Mail* national newspaper, catch up with him at www.johnleewriter.com.

Becky Ohlsen

Portland, The Willamette Valley & Wine Country, Columbia River Gorge, Central Oregon & the Oregon Cascades, Oregon Coast, Ashland & Southern Oregon, Eastern Oregon Becky is a freelance writer, editor and critic based in Portland, Oregon. She writes guidebooks and travel stories about Scandinavia, Portland and elsewhere for Lonely Planet.
