Why Go?

Few countries have an image so plagued by cliché. From shamrocks and shillelaghs to leprechauns and lovable rogues, there's a plethora of platitudes to wade through before you scramble ashore on the real Ireland.

But it's well worth looking beyond the tourist tat, for the Emerald Isle is one of Europe's gems, a scenic extravaganza of lakes, mountains, sea and sky. From wind-lashed Donegal to picture-postcard County Cork, there are countless opportunities to get outdoors and explore, whether surfing the beach breaks of Bundoran, cycling the coast of Antrim, or hiking the hills of Kerry and Connemara.

There are cultural pleasures too in the land of Joyce and Yeats, U2 and the Undertones. Dublin, Cork and Belfast all have party-on pubs and foot-stomping live-music scenes, while you can enjoy traditional music in the bars of Galway, Doolin and Killarney. So push aside the shamrocks and experience the real Ireland.

When to Go

Dublin

Late March
Spring has sprung, landscape is greening, St Patrick's Day festivities beckon.

June Best chance of dry weather, long summer evenings; opera in Wexford, Bloomsday in Dublin.

September–October Summer crowds thin, autumn colours reign, surf's up on the west coast.

Connections

Ireland is just about as far west as you can go in Europe – next stop, North America. But the Emerald Isle can serve as a stepping stone between mainland Europe and the UK. Ferry services run from Roscoff and Cherbourg in northern France to Rosslare (near Wexford) in southeast Ireland. After exploring Ireland you can continue your travels via one of the many ferries linking Ireland with Great Britain: from Rosslare to Fishguard and Pembroke (both in Wales); from Cork to Swansea (Wales); from Dublin or Dun Laoghaire to Holyhead (Wales); from Dublin or Belfast to the Isle of Man and Liverpool (England); from Belfast to Stranraer (Scotland); and from Larne to Troon (April to October only) or Cairnryan (both Scotland).

You can travel direct by coach (via a ferry crossing) from Dublin or Belfast to London and several other UK cities. Budget airlines fly direct from Dublin and Belfast to London, Cardiff, Edinburgh and other UK destinations. For more info, see p765.

ITINERARIES

One Week

Spend a couple of days in Dublin ambling through the excellent national museums, and gorging yourself on Guinness and good company in Temple Bar. Get medieval in Kilkenny before heading on to Cork and discovering why they call it 'The Real Capital'. Meander through lush, idyllic West Cork and take in the friendly spirit and melodious accents of its denizens.

Two Weeks

Follow the one-week itinerary, then make your way from West Cork up to touristy Killarney and the Ring of Kerry on your way to bohemian Galway. Using Galway as your base, explore the alluring Aran Islands and the hills of Connemara. Finally, head north to experience the newly optimistic vibe in fast-changing Belfast.
