## AUTHOR THANKS

### Amy C Balfour

Thank you Suki and the West team for top-notch editing and mapping. Big cheers to my intrepid co-authors. Many thanks to Deb Corcoran, Tucson's greatest docent, and Judy Hellmich-Bryan, who provided the latest news for Grand Canyon National Park. A special shout-out to Lucy, Michael, Madeline, Claire and Clay Gordon for their hospitality and Phoenix insights. Thanks also Rob Hill, Mark Baker and numerous guides and tipsters along the way.

### Michael Benanav

Thank you, Whitney George in Ruidoso, for a great story about one Mike the Midget and a mysterious village beneath Bonita Lake. I owe the biggest thanks to Kelly and Luke, who always let me go and always welcome me back.

### Andrew Bender

Suki Gear, Sam Benson, Regis St Louis and Justin Flynn, for the opportunity and their good cheer and advice.

### Sara Benson

Thanks to Suki Gear, Regis St Louis, my talented USA co-authors and everyone at Lonely Planet for making this book happen. I'm grateful to all those I met on the road who shared their local expertise and tips, from park rangers to brewpub barflies, and also to

my friends and family who live in the Golden State, especially the Picketts for their Lake Tahoe hospitality. PS to MSC Jr: Whew! Glad that avalanche didn't kill us.

### Alison Bing

Many thanks and crushing California bear hugs to editor Suki Gear, San Francisco city guide co-author John Vlahides, co-authors Regis St Louis and Sam Benson, editors Anna Metcalfe and Sasha Baskett, but above all Marco Flavio Marinucci, who made waiting for a Muni bus the adventure of a lifetime.

### Nate Cavaliere

Thanks to my partner Florence Chien for joining my research travels through Northern California. (Sorry about the speeding tickets.) Thanks also to the lovely people at Lonely Planet and particularly for the enthusiasm of commissioning editor and mentor Suki Gear.

### Sarah Chandler

Suki Gear, thanks for trusting me to get into enough (but not too much) trouble in Sin City. My trusty co-pilot, the intrepid Jennifer Christensen, deserves serious props for remaining calm during flat tires, blizzards, and a losing streak in the smokey blackjack room of the Hotel Nevada. Finally, to Jack and everyone at the Hard Rock, thanks for showing me how the locals rock Vegas nightlife (fearlessly, of course).

## Lisa Dunford

I always meet so many kindred spirits on the Utah road. Thanks go to Nan Johnson, Peggy Egan, Trista Rayner, Nicole Muraro, David Belz, Jessica Kunzer, Lisa Varga and Ty Markham, among others. I very much enjoyed talking to you all. Thanks, too, to the many park rangers I met, for the ever-helpful job they do.

## Bridget Gleeson

I'm grateful to my sister Molly, my brother-in-law Germán Parra, and my dear friend Starla Silver for their hospitality in southern California – and to all their friends for their dining recommendations (and willingness to go to Disneyland). Thanks to my mother, as always, for joining me on the road.

## Beth Kohn

All the usual suspects get thanks again, especially the fabulous multitasking Suki Gear and the dynamo known as Sam Benson. California cohorts and experts this time around included Agent 'Pedal-to-the-metal' Moller, Felix 'Hella Loves Oakland' Thomson, Jenny 'Stink' G, Dillon 'The Scientist' Dutton and Julia 'Wawona' Brashares, plus all the helpful and patient rangers at Yosemite National Park. Kudos to Regis St Louis, Alison Lyall and Anna Metcalfe for all their crucial work.

## Bradley Mayhew

Thanks to all the Yellowstone Park rangers who took time to answer my many questions and to my wife Kelli who gave me her opinion on the best mussels from Billings to Bozeman.

## Carolyn B McCarthy

Sincere thanks goes out to all those who helped me, especially the park rangers who are so committed to preserving our great wilderness. Richard Carrier proved adept at attacking the snowy passes of southern Colorado. Thanks also to Louise, Conan, Anne and the Cameron Johns family for their thoughtful hospitality. Virtual beers go out to ace

authors Bradley Mayhew, Brendan Sainsbury and Regis St Louis for their collaboration.

## Brendan Sainsbury

Thanks to all the untold bus drivers, tourist info volunteers, restaurateurs, national park rangers, weather forecasters, oenologists and innocent bystanders who helped me during my research. Special thanks to Andy McKee, for his hiking company in the Glacier National Park; and Scott Davies, for his intriguing insights into Pike Place Market in Seattle. Thanks also to my wife Liz and five-year-old son Kieran for their company on the road.

## Andrea Schulte-Peevers

Big thanks to Suki Gear for letting me have another shot at California. A heartfelt thank you also to my husband David for being such good company while tooling around the desert. Big kudos to all the good folks who shared their local insights, steered me in the right direction and made helpful introductions, including Hillary Angel, Mark Graves, Cheryl Chipman and Christopher Vonloudermilk.

## John A Vlahides

I owe heartfelt thanks to my commissioning editor, Suki Gear, and co-authors, Sam Benson and Regis St Louis, for their stellar assistance and always-sunny dispositions. And to you, the readers, thank you for letting me be your guide to California Wine Country. Have fun. I know you will.
