Pocket Chicago 4

Take cloud-scraping architecture, lakefront beaches and world-class museums, stir in wild comedy, fret-bending guitars and very hefty pizza, and you've got a town that won't let you down. The city center is a steely wonder, but it's Chicago’s mural-splashed neighborhoods – with their inventive storefront restaurants, fringe theaters and sociable dive bars – that really blow you away.

Seattle 8

Blink and it’s changed: Seattle can be that ephemeral. Welcome to a city that heralds innovation and nature; a city always marching toward the future. Make your pilgrimage to the top of the iconic Space Needle, add your gum to the wall at Pike Place Market, and pay homage to Jimi Hendrix at the EMP Museum.

- music guide
- detailed full-colour maps
- day trips from Seattle
- outdoor activities

Pocket Seattle 2

A city that pushes the envelope, embraces new trends and plots a path toward the future. But it's not all technological wizardry. Set on a jagged coastline amid emerald islands and snow-capped volcanoes, Seattle is handsome as well as precocious: a cultured slice of Pacific Northwestern splendor. Experience world-renowned Chihuly Garden and Glass, and check-out the spectacular view at the Space Needle.
Venice & the Veneto 11

Imagine the audacity of building a city of marble palaces on a lagoon – and that was only the start. Absorb the architecture at Basilica di San Marco, cruise the Grand Canal on a gondola, and trace the development of Venetian art at the Gallerie dell’Accademia.

• Just Landed card
• architecture in detail
• the Grand Canal in 3D
• the arts in Venice

Canary Islands 7

Scented pine forests, haunting volcanoes, lunar-like landscapes, secret sandy coves, miles of Sahara-style dunes, beach-hugging resorts – the beautiful, unique Canary Islands wear many tantalising hats. Ride the cable car to the summit of Tenerife’s El Teide, celebrate Carnaval with dawn-to-dusk frivolity, and catch the waves at Playa de Sotavento.

Pocket Tenerife 2

Tenerife is the striking grande dame in the archipelago family. Attracting over six million visitors a year, the island’s most famous southern resorts offer Brit-infused revelry and clubbing, combined with white sandy beaches and all-inclusive resorts. But get your explorer’s hat on and step beyond the tourist spots and you’ll discover an island of extraordinary beauty and diversity, with remote mountain-ridge villages, cultured port settlements and charming ancient towns.
New England 9

From historic villages to cutting-edge galleries, verdant mountains to granite shores, clam shacks to covered bridges, New England’s scenic and cultural treasures are unparalleled. Mount spectacular summits and drive ocean roads, tantalize your taste buds with succulent seafood and sweet maple syrup, and relish history and high culture.
