GIANT SEED

You need to be very careful when standing beneath a coco de mer tree. It produces the largest, heaviest seeds on Earth, which can grow over 30 cm long and weigh up to 20 kg. Ouch! These giant fruits are found on just two small islands in the Indian Ocean.

From Seychelles
When: 21st century

The Incredible Cabinet of Wonders

100 little doors to the Weird and Wonderful from the world's Great Museums

Open tiny doors, large doors and strange doors to museum collections around the world - and discover their most astonishing, weird and surprising objects.

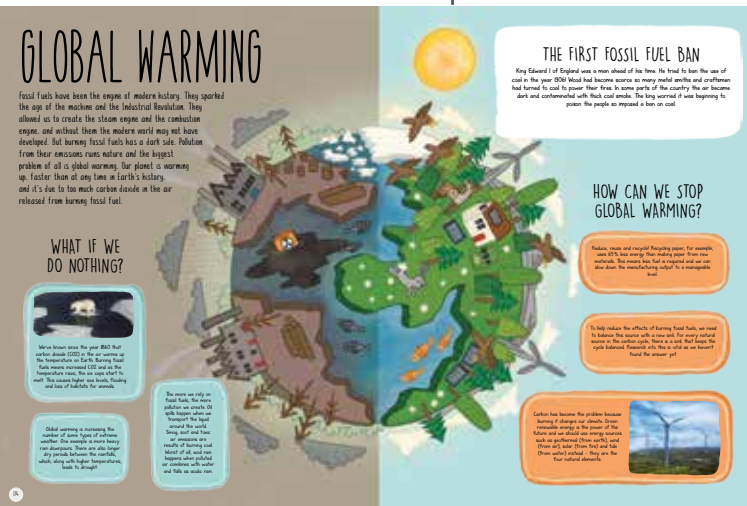

This extraordinary lift-the-flap book contains 14 themed cabinets, from toy makers and treasure hunters, to sailors and archaeologists. Each cabinet is beautifully brought to life by a different illustrator and full-colour photography.
