2 Amble around **Letná Gardens** and take in the view of the Old Town and Malá Strana below.

Classic Photo: Photogenic Prague Castle from any angle.

3 Enjoy views over the Vltava and the red roofs of Malá Strana from the ramparts of **Prague Castle** or from the beautifully manicured royal gardens.

6 The whimsical yet elegant **Dancing House**, by architects Vlado Milunić and Frank Gehry, surprisingly fits in with its ageing neighbours.

4 Always gorgeous **Charles Bridge** is a great spot to admire your surroundings – the towering medieval gates, the castle, the lazy river.

Take a Break... Old-fashioned **Kavárna Slavia** is the place to stop for coffee and cake.

5 Slav Island is a delightfully quiet place to enjoy a picnic or take a nap in the shade.
