

**Þingvellir
National Park**

A map of the Þingvellir National Park area in Iceland. The park is shown as a green-shaded region. A yellow line represents a road or trail winding through the area. Key locations marked include Skálabrekka on the left, Laugarvatn on the right, and Hrafnabjörg (763m) in the center-right. Water bodies shown include Þingvallavatn (a large blue lake in the center) and Apavatn (a smaller blue lake at the bottom right). A river, Kálfstindar, is shown on the right side. A black circle with a white tree icon is located within the green park area.

Hrafnabjörg
(763m)

Skálabrekka

Laugarvatn

Þingvallavatn

Apavatn
