

A map showing a travel route from Austin to New Orleans. A dashed red line with white dots connects the two cities. The route starts at Austin, Texas, and ends at New Orleans, Louisiana. The map includes the Gulf of Mexico and the coastline of the United States.

1

### Austin

Soak up the honky-tonks, backyard bars and whimsical restaurants for two days.

✈ 1½ hrs to New Orleans

2

### New Orleans

The antebellum mansions, gumbo, hot jazz and Mardi Gras vibe are hard to resist; three days'll do it.
