

Nassau Walking Tour

The cruise port is in the heart of Nassau's Historic District. The relatively safe and well-policed business district, as well as the high number of interesting historic buildings and museums within a short distance of one another, makes it a good place for a walking tour. If your feet aren't up for a day of walking, consider hiring a taxi or a van.

Start Straw Market (across from the cruise port)

Distance 1.7km

Duration Four hours (minimum)

6 Take a break from the heat and enjoy the **National Art Gallery of the Bahamas**.

2 Find your inner pirate at the **Pirates of Nassau** museum.

6 FINISH

5 Have a cigar at **Graycliff Cigar Co** and watch the craftspeople hand-roll cigars on-site.
