Nassau
Historic Walk
The cruise port is in the heart of Nassau’s Historic District. The relatively safe and well-policed business district, as well as the high number of interesting historic buildings and museums within a short distance of one another makes this port a good choice for a walking tour. If your feet aren’t up for a day of walking, consider hiring a taxi or a van.

Start Nassau Straw Market (across from the cruise port)
Distance 1.7km
Duration 4 hours (minimum)

1 Explore the shops at the Nassau Straw Market. Handwoven straw items are the specialty.

2 Find your inner pirate at the Pirates of Nassau museum.

3 Stop at the Balcony House, an 18th century home and museum believed to be the first residence on Nassau.

4 See Government House, the impressive home and 10-acre estate of the Bahamian governor.

5 Have a cigar at Graycliff Cigar Co and watch the craftsmen hand roll cigars on site.

6 Take a break from the heat and enjoy the National Art Gallery of the Bahamas, before heading back to the Straw Market for more shopping or lunch.
