

Monte Carlo Casino to Monaco-Ville

Monaco's sights are concentrated in two main zones. The old clifftop town of Le Rocher is where you'll find the prince's palace, the oceanographic museum and the cathedral. North across the port is Monaco's second centre of gravity, the Casino de Monte Carlo.

Start Casino de Monte Carlo
Distance 2km
Duration Two hours

4 Watch the 11.55am changing of the guard at the historic **Palais Princier**.

3 Climb the zigzag streets into Monaco's steeply perched medieval town, **Le Rocher**.
